

## Walnut Hill College Cares!

Walnut Hill College considers the health and well-being of our students, staff, faculty and community to be of the utmost importance. It is with that in mind, and in accordance with the Philadelphia Department of Public Health, WHC requires all members of the university community—including students, employees and volunteers—to be fully vaccinated against COVID-19.

**All of our students (including those on our Residential Learning and Commuter) will need to provide proof of their COVID-19 vaccine or an approved medical or religious exemption prior to the beginning of the fall 2022 semester to participate in on-campus, in-person learning and activities.**

WHC incoming freshman may provide documentation by completing the WHC Health History Form as a part of their enrollment process. Requests for consideration of a medical or religious exemption should be sent to [dmorrow@walnuthillcollege.edu](mailto:dmorrow@walnuthillcollege.edu).

As we welcome our new students this fall, the College wants to assure you that this policy will help to support the overall health and wellness of our college community.

*WHC – Walnut Hill Cares!*
